NOTICE OF ALLOWABILITY

Reasons for Allowance

The following is an examiner's statement of reasons for allowance.

1. It is the opinion of the examiner that the art of record (considered as a whole) neither anticipates nor renders obvious "a plurality of teeth extending along at least one of said first arm inner face and said second arm inner face substantially from a radially outer tip of said face to said body" in combination with the rest of the claimed limitations set forth in the independent claims 1, 14 and 26.
2. Based on Applicant's arguments and the examiner's review of Office Action (July 18, 2006), the claimed subject matter is deemed to be allowable. Further clarification/explanation can be reviewed in applicant's arguments filed October 18, 2006 starting on page 8.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
